

BISHOP KELLEY CATHOLIC SCHOOL

Child Safety Program

Permission Slip

Dear Parents and/or Guardians,

Bishop Kelley Catholic School is once again offering the "Think First Stay Safe" and/or the "Circle of Grace" programs. "Think First Stay Safe" was formerly called the "Child Lures" Program. It is a requirement of the Archdiocese of Detroit that we offer these classes in each grade. They are personal safety programs that are currently used in over 1000 schools nationwide and have been featured on many national television news and talk shows.

The programs are created to improve self-reliance, raise self esteem and help master personal safety skills all while reassuring students that most people are kind, safe and committed to their well-being. Students will learn to identify specific lures used in crimes against youngsters and how to employ proven prevention strategies. The programs also teach Internet safety, drug resistance and school violence prevention. The teachers in K-8th will present several lessons from the programs this year. The video portion of this program is available for parent preview. If you have any concerns or are interested in previewing the video, please see Mr. Willoughby to arrange a convenient viewing time.
