

Love & Support in a Time of Need

Andrea and Norman Ferguson

To Mrs. Estelle, the staff and families of Bishop Kelley,

We just wanted to say "thank you" to Bishop Kelley for helping us through this difficult time. In September 2010, the moment our child was hospitalized, the first to come help us was Mrs. Estelle, Principal of Bishop Kelley. We will never forget it. She knew just what to say and do. She brought us a bag of essentials, items I could never have thought of in such a horrific time in our lives. She brought us comfort in a time of need. Later that day a priest came to bless our daughter as she lay on life support.

In the months and weeks to come we began our journey with childhood cancer. It has been a difficult one. But what has gotten us through is the love and support from all the staff and families at Bishop Kelley. Thank you for the fundraisers and never ending prayers for our family. Through every step of the way Bishop Kelley has been there! Every late night call or text to tell someone about Ava has NEVER gone unanswered.

The teaching staff went above and beyond for Ava. They still continue to do so. This isn't just about a student missing school and the teachers doing their jobs. YOU CARED!! ALL OF YOU!! We thank you from the bottom of our hearts!! We feel lucky to have Ava at Bishop Kelley School and we look forward to the years to come!
