Dear Community Supporter:

Bishop Kelley Catholic School has been a cornerstone of the Lapeer community since 1950. Our school is a faith-based community of teachers, families, alumni, and students who collectively nurture the mind, body, and soul. Our alumni are grateful for past support that made their success possible, and our current students need that same support during their educational journey.

On Sunday September 22<sup>nd</sup>, 2019 we are hosting our Annual BKCS Golf Outing at Lapeer Country Club. This is one of the largest fundraisers for our school and it helps offset the difference between tuition receipts and the expenses to operate an excellent school. The dollars raised keep Bishop Kelley Catholic School affordable for the families of today and ensure that the school will be here for the families of tomorrow. Our goal is to raise \$20,000 with this year's event, and that will only be possible with support from generous community sponsors.

We have many different levels of sponsorship available. All levels include recognition at the event, on Facebook, and at the school/church. The Golf Outing participants, alumni, and school families are decision makers in our community and your support will not go unnoticed. Please consider supporting our school by selecting one of the sponsorship levels on the back of this letter.

Alternatively, you could donate goods or services that will be used for prizes at the event or to offset expenses related to putting on the event, such as printing costs, etc. Even a family purchasing a Hole/Tee sponsorship of just \$150 can make a huge difference in our Bishop Kelley Raider community. We look forward to hearing back from you and thank you for all you do in the community.

Sincerely,

Diane Mischel & Jenny Cichy
