Bishop Kelley Catholic School

Summer 2019

Dear Bishop Kelley Families,

Thank you for your interest in participating in our Parent Advisory Council! Your willingness to help make our school the best it can be is greatly appreciated. Please know, pursuant to the Archdiocese of Detroit’s guidelines, the primary purpose of the Parent Advisory Council (PAC) allows for the members of this council to communicate with the principal and pastor regarding issues that are important to the stake-holders of the school and parish. Unlike public school councils and school boards, the PACs’ communications to the principal and pastor are only advisory in nature and scope. The PAC intends to meet on a monthly basis on the third Wednesday of every month with a start time of 5:00 PM. The meetings will last approximately one (1) hour. Please answer the following questions regarding your interest in joining the 2019/2020 Parent Advisory Council. The current PAC will review your application and make notifications regarding pending membership before the start of the new school year. Presently, there are five members on the current PAC and there are three spaces available. Members are limited to serving two, two year, terms. Thank you once again for your interest!
